Thursday, September 22

10:00 a.m. - 3:00 p.m. • **Fiscal Training: “Aiming for Awesome Audits” training** • Do you have a difficult time preparing for the year-end financial statement audit? Do you find it difficult to provide information requested by the independent auditor? Does it seem to take a long time to finalize the audit and receive your report? How should your board’s audit committee be involved in the audit process? And finally what does your organization’s auditor use as a guide when auditing major programs? This session will help you find ways to identify areas for improvement in your organization’s audit process. Familiarize yourself with the role of the audit committee and get an overview of the Single Audit Compliance Supplement, the guide your auditor should (must) be using to audit your federal programs, so you will know what they should and should not be doing. • *Presenter TBA*
